### **Each team will need to complete 3 forms.**

**All forms will be available to down load from the NEU website: ([www.neusoccer.org](http://www.neusoccer.org)) Forms can be found under the COACHES LINK, and then click on the REQUIRED FORMS..**

**1) Roster** Please complete with players names, and note any updated phone, address or other information.

**2) Membership form** (it is a good idea to have each player's parent complete a new form, so that coaches have current phone numbers , emergency contact info)

Needed only for new players, who did not play in the fall.  
FORM WILL BE NEEDED FOR ALL NEW U9 PLAYERS.)

Each new U9 player, or older player must submit age verification if they did not play in the fall.  
(Copy of birth certificate issued by governmental agency, copy of face page of passport, or other government issued ID.) **HOSPITAL OR CHURCH ISSUED CERTIFICATES ARE NOT ACCEPTABLE.** Any questions, contact Pat Monaghan (info@neusoccer.org)

**New players who are Missouri residents, MUST complete the MYSA registration process, and provide the Missouri release form to Pat Monaghan, BEFORE they can be added to your roster.**

***Membership Forms need to be notarized ONLY if your team will play in a tournament.***  
Forms will be returned to coaches, along with age verification documents.

### **3) Practice field request EACH TEAM MUST SUBMIT A REQUEST**

We will not receive the permits for SM School fields until mid February at the earliest. **Fields that are listed on the form may or may not be available, depending on what the SM School District determines is available.**

The Shawnee Mission School District issues permits for their fields to Heartland Soccer Association, who in turn issues them to NEU and the other clubs in Heartland. The school district may issue a permit to other organizations or groups for some nights of the week.

Please complete the form, indicating your first and second preferences for days/times. NEU does not have access to enough fields for teams to have an entire field or in some locations even half a field for their entire practice. Once all requests are submitted, the schedule will be completed.

Please remember that U8 teams as well as Pony teams will also be completing requests at a later date.

Final practice field assignments will not be done until Under 8 teams turn in their requests The first week of March.

U9 and older teams will begin their season practices prior to the start of U8 and Pony team practices. NEU attempts to grant a team's first request for a practice field or time, but that is not always possible. If there is more than one team using the same field, please share.

Once you have completed your request, you may NOT change the day, time or location of your practice without contacting NEU (info@neusoccer.org) to determine if the change is possible.
