Each team will need to complete 3 forms.

All forms will be available to down load from the NEU website: (www.neusoccer.org) Forms can be found under the COACHES LINK, and then click on the REQUIRED FORMS..

1) Roster Please complete with players names, and note any updated phone or address information

2) Membership form Each player will need to submit a new membership form for this season. This insures that we have current and correct information on each player. **Beginning this season, Missouri residents will need to complete Kansas paperwork only.** The state will submit to Missouri. [Forms need to be notarized ONLY if the team will play in a tournament.](#) Forms will be returned to coaches, along with age verification documents.

3) Practice field request **EACH TEAM MUST SUBMIT A REQUEST**
We will not receive the permits for SM School fields until some time in August.

The Shawnee Mission School District issues permits for their fields to Heartland Soccer Association, who in turn issues them to NEU and the other clubs in Heartland. The school district may issue a permit to other organizations or groups for some nights of the week.

Please complete the form, indicating your first and second preferences. NEU does not have access to enough fields for teams to have an entire field or in some locations even half a field for their entire practice. Once requests are submitted, the schedule will be completed.

Please note that U8 teams as well as Pony teams will also be completing requests at a later date. Final practice field assignments will not be done until Under 8 teams turn in their requests in August. U9 and older teams will begin their season practices prior to the start of U8 and Pony team practices. NEU attempts to grant a team's first request for a practice field or time, but that is not always possible. If there is more than one team using the same field, please share.

Once you have completed your request, you may NOT change the day, time or location of your practice without contacting Sean Molen, Field Coordinator (molen@kc.rr.com), to determine if the change is possible.
